- Anywhere Odor Is A Problem

A water-based deodorizer that can remove most mal-odors immediately and effectively. The unique molecular formulation encapsulates foul odors and renders them ineffective on contact. Spray on the area to be treated as it must come in contact with the odor to produce maximum results. Effective on most household odors and can be used on carpets, upholstered furniture, draperies, bedding, most clothing, waste cans, automotive interiors, pet odors and smoke.

DIRECTIONS FOR USE:  
SHAKE WELL BEFORE USING

Shake well before using. Hold can 18-24 inches away from surface to be treated and mist lightly. Do not saturate surface. This product can be used on wet or dry interiors. Use to treat musty Air Conditioners by turning on high and spraying directly into the exterior AC cowl. Do not set AC on re-circulate with this method. For heavy spraying in confined spaces, keep one or more windows or doors open.
