

Maintenance Solutions

Uses:

- Baseboards
- Mouldings
- Floor corners
- Areas out-of-reach of floor machines
- Kick plates
- Floor machine hoods
- Around store shelving.

Features:

- Removes soil, wax & most cross-linked copolymer floor finishes
- Stripping baseboards is easy & trouble-free

DESCRIPTION

Use to remove soil and wax build-up from baseboards, floors and ceramic wall tiles.

DIRECTIONS

Shake well before using. Check the product on a small inconspicuous area of the surface to be cleaned to make sure there is no attack. Do not spray on painted or varnished surfaces. Wipe off any overspray immediately. Turn can upside down and hold 6-10 inches from baseboard or surface to be sprayed. A thin even coating should cover the wax and soil. Wait 3 to 5 minutes, longer in case of substantial build-up. Wet scrub the surface with an abrasive pad or scrub brush. Repeat until entire surface is clean. Rinse surface with clean water and allow area to dry thoroughly before re-polishing.

Product Specifications

Color:	Pale Beige, Opaque Suspension
Scent:	Pine
pH:	11.5
Propellant:	Hydrocarbon
Spray Pattern:	Misty Solid Cone
Flammability:	Non-Flammable as per CPSC
Flame Extension Test as described in 16 CFR 1500.45 (under certain conditions this product may burn).
