

**Maintenance Solutions**

**Use On:**

- Stainless Steel
- Chrome
- Aluminum

**Removes:**

- Spots & Marks
- Fingerprints
- Grease
- Film
- Watermarks

**DESCRIPTION**

A unique one-step cleaner that restores original brilliance to stainless steel surfaces. In one application, this lemon scented cleaner removes light soils, restores depth and "color" to brushed finishes, helps seal out corrosion, and protects against smudging and staining. Dries completely without leaving an oily residue.

**DIRECTIONS**

Hold can upright. Press button and spray a small area until wet. Use sparingly. Clean with one cloth and polish with a clean, dry cloth. The gloss is renewed and will be retained. The cleaning process is simple. No rubbing is required. Contains no acid or abrasive substances. Will not leave a powdery residue. Not to be used on cooking utensils, such as pots, pans, knives, forks or spoons.
