maintenance solutions

## First on the Market Floor Care System

### Zinc-Free Floor Finish

**Uses:**

For finishing all types of resilient tile flooring

**Benefits:**

- Environmentally preferable metal-free floor seal and finish formulated with the most advanced polymer technology.
- Meets today's need for a product that contains no zinc or other heavy metals that can be harmful to wastewater treatment systems.
- This low odor finish has exceptional durability and flexibility and can be maintained with scrub and recoat procedures, spray buffing or high speed burnishing.

### Low Odor Floor Stripper

**Uses:**

For stripping all waterbased finishes and sealers from all surfaces.

**Benefits:**

- Very low odor, non-toxic, non-corrosive, non-butyl floor finish remover.
- Specially designed to remove new zinc-free floor finishes as well as conventional floor finishes.
- This fast-acting floor finish remover dissolves multiple coats of finish without harsh alkalis, butyl cellosolve, or strong ammonia odors.
- No neutralizing needed.
- Controlled foam and rinse-free characteristics assure that no residue is left behind to interfere with subsequent finish applications.

- elements™ brand Zinc-Free Floor Finish and Low Odor Stripper are the first floor care products that comply with or exceed Green Seal's Environmental Standard for Floor Care Products: Finishes and Compatible Strippers Used for Industrial and Institutional Purposes (GS-40) and are licensed to use the Green Seal Certification Mark.

- Both products are packaged in recycled suitcase-style 2.5 gallon containers that are stackable and eliminate the need for secondary packaging.
